monasheeclinic.ca

WE ARE LOOKING FOR 2 PART-TIME OR FULL-TIME PHYSICIANS

Our clinic is home to 4 part-time Physicians, 4 part-time MOA staff and 1 part-time Nurse. We can offer you generous rural recruitment and retention incentives, a flexible schedule, opportunities for part-time GP hospital-based and long-term care work and most importantly, cake on your birthday! Up to 700 nice, neat electronic patient charts already await you in the clinic plus you will have access to unlimited unattached patients if you want to grow your practice.

ABOUT OUR TEAM

We have a friendly clinic team with the common goal of offering high quality patient care while attaining work-life balance. Whether you are juggling a family or your love of the outdoors we can offer a flexible clinic schedule to meet your needs. Our clinic in downtown Rossland is located 15 minutes from the Regional Hospital in Trail, BC which offers specialist services and opportunities for GP hospital-based work. Our office is embracing new technologies to support the integration of virtual care including implementing a new VOIP phone system and a new cloud-based EMR (Telus CHR). In addition, we are expanding our team to include more allied health care professionals. Come join our forward-thinking team!

ABOUT ROSSLAND, BC

Rossland is a vibrant, growing town nestled high in the Monashee Mountains. Described as one of BC's most beautiful towns with an urban mountain culture, Rossland is a mecca for outdoor enthusiasts offering access to world class downhill, backcountry and x-country skiing as well as mountain biking, hiking, golfing, boating, camping and more. Rossland was voted #1 ski town in Canada in 2020 and competes for the title of 'Mountain Bike Capital of Canada' with a city that will remain unnamed 😊. It's a great place to bring up a family and you can afford a house here! Come check us out!
